Dear sir/madam
I am writing to you regarding the planning application for the above reference.
I am opposed to the application as a resident of school green, this proposed accommodation will infringe on the parking on school green. The court yard is currently only small and parking is sparse, and this proposed accommodation will hinder this greatly. The above applicant already rents out a property on the high street.

I feel that if this accommodation is approved it will lead to further antisocial disruptions, which I do not want my young children to be around.
I feel that school green is not an appropriate location for this type of accommodation.
Thank you for your time

Yours sincerely
Mrs ES Coates
