Details of the pre-application advice received

Mr Thomas - "I have taken advice from Arne Swithenbank, Case Officer for approved planning application reference SMD/2018/0226 – Proposed two storey

10. Pre-application Advice

rear extension. Mr Swithenbank has informed me that the inclusion of the words ‘tiered garden’ on the approved block plan does not authorise the alterations that have been made to the garden. The tiered garden on the approved plan is shown extending no more than 6.5 metres from the proposed rear wall, the levels have been altered much further than 6.5 metres. In any case, the land level alterations did not form part of the proposal nor is it referred to in the decision notice.
You may seek to regularise the alteration to land levels through the submission of a planning application, however, it is not known at this stage whether an application would be supported for the works as an assessment would need to be made on neighbour amenity impact and impact on the character of the property and of the area."

11. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

○ Yes ◉ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
