Application no: SMD/2019/0126

Determined on: 10/09/2019

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015

GRANT OF OUTLINE PLANNING PERMISSION

This permission does not carry any approval or consent which may be required under any enactment, bylaw, order or regulation (e.g. in relation to Building Regulations or the Diversion of Footpaths etc) other than Section 57 of the Town and Country Planning Act, 1990.

Location of Development:
Land Adjacent To Rakeway Grange Rakeway Road Cheadle Staffordshire

Description of Development:
Outline application with some matters reserved for the erection of 6no. dwellings

In pursuance of their power under the above mentioned Act, Staffordshire Moorlands District Council Planning Authority, **HEREBY GRANT OUTLINE PLANNING PERMISSION** for the works described above subject to the following condition(s):

1. a) In the case of any reserved matter, application for approval must be made not later than the expiration of three years, beginning with the date on which this permission is granted; and b)The development to which this permission relates must be begun not later than whichever is the later of the following dates:-
i)The expiration of five years from the date on which this permission is granted; or
ii)The expiration of two years from the final approval of the reserved matters or, in the case of approval on different dates, the final approval of the last such matter to be approved.

Reason:- To comply with the provisions of Section 92 of the Town and Country Planning Act 1990.

2. The approval of the Local Planning Authority shall be obtained in writing with respect to the plans and particulars of the following reserved matters (hereinafter called ""the reserved matters"") before any development is commenced.
a)- The landscaping of the site (including provision for hedgehog runs)

Reason: The application is an outline application under the provisions of Article 1(2) of the Town and Country Planning (Development Management Development Procedure) Order 2015 and no particulars have been supplied with respect to the matters reserved in this permission.

3. The development hereby permitted shall not be commenced until samples of types and colours of all roof tiles and facing materials have been submitted to and approved in writing by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

Reason:- To ensure that the approved development is of an appropriate appearance, having regard to the character and appearance of the application site and wider streetscene context.

4. The development hereby permitted shall not commence until drainage plans for the disposal of foul and surface water flows have been submitted to and approved in writing by the Local Planning Authority. The scheme shall be implemented in accordance with the approved details before the development is first brought into use.

Reason: To ensure that the development is provided with a satisfactory means of drainage and to reduce or exacerbate a flooding problem and to minimise the risk of pollution.

5. Unless prior permission has been obtained in writing from the Local Planning Authority, all noisy activities shall be restricted to the following times:

08:00 - 18:00 hours (Monday to Friday)
08:00 - 13:00 hours (Saturday)
No working is permitted on Sundays and Bank Holidays

In this instance noisy activity is defined as any activity (for instance, not restricted to, building construction/demolition operations, refurbishing and landscaping) which generates noise that is audible at the site boundary.

Reason: To avoid the risk of disturbance to neighbouring dwellings from noise during unsocial hours.

6. Development shall not commence until a site risk assessment has been undertaken to assess the nature and extent of any contamination on the site, in accordance with a scheme to be agreed in writing with the Local Planning Authority. Once completed, a written report of the findings and recommendations shall be submitted to and approved writing by the Local Planning Authority. If the risk assessment indicated that potential risks exist, development shall not commence, until a detailed remediation strategy to bring the site to a condition suitable for the intended use has been prepared, and approved in writing by the Local Planning Authority. Following completion of measures identified in the approved remediation scheme and prior to bringing the development into first use, a verification report that demonstrates the effectiveness of the remediation carried out must be produced, and is subject to the approval in writing of the Local Planning Authority.

If, during the course of development, any contamination is found which has not be identified in

the site investigation, additional measures for the remediation of this source of contamination shall be submitted to and approved in writing by the Local Planning Authority. The remediation of the site shall incorporate the approved additional measure.

Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors.

7. No top soil is to be imported to the site until it has been tested for contamination and assessed for its suitability for the proposed development; a suitable methodology for testing this material shall be submitted to and agreed in writing by the Local Planning Authority prior to the soils being imported on to site. The methodology shall include the sampling frequency, testing schedules, criteria against which the analytical results will be assessed (as determined by the risk assessment) and source material information. The analysis shall then be carried out and validatory evidence submitted to and approved in writing by the Local Planning Authority.

Reason: To ensure that risks from land contamination to the future users of the land and neighbouring land are minimised, together with those to controlled waters, property and ecological systems, and to ensure that the development can be carried out safely without unacceptable risks to workers, neighbours and other offsite receptors.

8. During any demolition and construction activities (including landscaping) the contractor shall take all reasonable steps to prevent dust formation and prevent any dust formed from leaving the site boundary.

Reason: To protect the amenities of the area.

9. No trees, shrubs or hedgerows shall be removed other than those whose removal is directly required to accommodate the development, as hereby approved or as subsequently approved under a detailed reserved matters or full planning permission application, unless otherwise approved in writing by the Local Planning Authority (LPA). There shall be no removal of any trees, shrubs or hedgerows during the bird nesting season (March to August inclusive), unless otherwise agreed by the LPA and in this case only following careful inspection by a competent person to establish that such trees, shrubs or hedgerow are not in active use by nesting birds.

Reason: In the interests of nature conservation having regard to policies SS6c, R1 and NE1 of the SMDC Core Strategy and Chapter 11 of the National Planning Policy Framework.

10. The development hereby approved shall be carried out in accordance with the following plans:
AL(0)06 Site plan as existing
AL(0)01 F Site layout and street scene
AL(0)04 E Scheme

Reason: For the avoidance of doubt.

11. The development hereby permitted shall not be brought into use until the visibility

splays of 2.4mX120m shown on plan 00839 Al(0) 01 D have been provided. The visibility splay shall thereafter be kept free of all obstructions to visibility over a height of 600 mm above the adjacent carriageway level.

Reason:- To comply with NPPF Paragraph 108; to comply with SMDC Core Strategy Policy DC1; in the interests of highway safety.

12. The development hereby permitted shall not be brought into use until details of the following highway works have been submitted to and approved in writing by the Local Planning Authority
- widening of the footway on the site frontage to a minimum of 1.8m;
The highway works shall thereafter be constructed in accordance with the approved details prior to the development being first brought into use.

Reason:- To comply with NPPF Paragraph 108; to comply with SMDC Core Strategy Policy DC1; in the interests of highway safety. To comply with SMDC Core Strategy T1 and T2.

13. The development hereby permitted shall not be brought into use until the parking and turning areas have been provided in accordance with the approved plans. The parking and turning areas shall thereafter be retained unobstructed as parking and turning areas for the life of the development.

Reason:- To comply with NPPF Paragraph 108; to comply with SMDC Core Strategy Policy DC1; in the interests of highway safety.

14. Before the proposed development is brought into use, details shall be first submitted to and approved in writing by the Local Planning Authority indicating a bin store adjacent to, but clear of the footway to store bins on collection day clear of the footway to avoid obstruction of the footway. The bin store area shall therafter be provided in accordance with the approved plans for the life of the development.

Reason:- To comply with NPPF Paragraph 108; to comply with SMDC Core Strategy Policy DC1; in the interests of highway safety.

15. The development hereby permitted shall not be brought into use until the access drive rear of the public highway has been surfaced in a bound material in accordance with details to be first submitted to and approved in writing by the Local Planning Authority. The surface shall thereafter be maintained.
Reason:- To comply with NPPF Paragraph 108; to comply with SMDC Core Strategy Policy DC1; in the interests of highway safety.

16. The development hereby permitted shall not be brought into use until details of a surface water drainage interceptor sited immediately rear of the highway boundary and connected to a surface water outfall (or drained to SUDS principles), has been submitted to and approved in writing by the Local Planning Authority. The drainage works shall thereafter be constructed in accordance with the approved details prior to the development being first brought into use.

Reason:- To comply with NPPF Paragraph 108; to comply with SMDC Core Strategy Policy DC1; in the interests of highway safety.

17. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or as may subsequently be amended or re-enacted) no extensions, alterations or buildings within the site curtilage normally permitted by Classes A to E of Part 1 Schedule 2 to that Order shall be carried out unless a further planning permission has first been granted on application to the Local Planning Authority.

Reason:- To protect the visual amenities of the area and to protect the character and appearance of the site.

18. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) or any Order revising, revoking and re-enacting that Order with or without modification, no new hardstanding forward of the north (front) elevation of the dwelling(s) hereby approved shall be formed, laid out or constructed within the site unless a further planning permission has first been granted on application to the Local Planning Authority.

Reason:- In order to protect the character and appearance of the site and wider local vernacular.

Informative

1. This application has been determined at Planning Applications Committee and has been considered in accordance with paragraph 38 of the National Planning Policy Framework. The development consitutes a sustainable form of development.

NOTES

1. Approval under the Building Regulations may also be required. Advice in this respect can be obtained by contacting the Councils Building Control Section at buildingcontrol@staffsmoorlands.gov.uk

2. Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority at Staffordshire County Council.

3. This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. An application will need to be made to discharge conditions and a fee is payable with the application. For more details please refer to our web site: www.staffsmoorlands.gov.uk If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
   (a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
   (b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

4. Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

5. The permission is granted in strict accordance with the approved plans. It should be noted however that:
   (a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
   (b) Variation to the approved plans will require the submission of a new planning application.

6. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

7. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Simon W. Baker B.Ed MBA MIMSPA
Chief Executive

8. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

9. If this is a decision to refuse express consent for the display of an advertisement, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

10. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk

11. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

12. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
