Submission: Objection
Comments: I was unaware of this application to vary condition 6 of the origianl planning application. Closing the A521 in both directions for 10 weeks AND having works take place for up to 24 hours a day is completely unacceptable for local reidents. Our house will be affected both by the re-directed traffic and resultant works noise.

There has been no communication either from SMDC, Staffordshire County Council or St Modwen to date. I strongly objec to this application
