At the Endon with Stanley Parish Council meeting on the 8th October, the following were discussed and comments are as follows:

SMD/2019/0570.- The Farm House, Breach Road, Brown Edge
We are uneasy about this proposal as we consider the proposed two storey extension dominates the listed building and is not subservient to it. As the application is in the Green Belt would you check whether or not the proposed volume complies with that permitted under the NPPF.

Could you pleas acknowledge receipt of this email.
