Extension to form additional garage with bedroom over and conservatory/entrance to rear of property

Staffordshire Wildlife Trust has been asked to review the above application as part of a service level agreement with Staffordshire Moorlands District Council to provide ecology advice regarding planning and development management functions.

SUMMARY – NO COMMENTS

Thank you for consulting us on the above application. Due to the nature of proposals, site conditions and/or location we have not viewed this application in detail as it is unlikely to have any significant ecological impact. Therefore, we have no comments.

We would encourage all proposals to consider opportunities to benefit wildlife, wherever possible. In particular, the inclusion of diverse native species planting, water features and any habitat features/wildlife boxes.
