Comments: 22 Ashbourne Road I object to an extension on the grounds that I have a second-floor side bedroom window that overlooks the town and church spires, if an extension is built I will no longer see this, and it will block out what little light I get into the house furthermore I have extreme noise and smell from the restaurant slamming car doors, people shouting, revving outside my house, blocking my exits to my gates so that I cannot get out or in, I cannot get off my residential car park. it's an absolute nightmare, I already cannot open my windows, or sit outside in peace in summer if an extension is built this will exasperate the problem I believe they would be better off moving to a less residential and larger premises
