Application no: SMD/2019/0511

Determined on: 27/02/2020

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as Amended)

FULL PERMISSION FOR DEVELOPMENT

This permission does not carry any approval or consent which may be required under any enactment, bylaw, order or regulation (e.g. in relation to Building Regulations or the Diversion of Footpaths etc) other than Section 57 of the Town and Country Planning Act, 1990.

Location of Development:
Lower Moor End Farm Stoney Lane Cauldon Staffordshire ST10 3EP

Description of Development:
Two storey side and rear extension to detached farm house.

In pursuance of their power under the above mentioned Act, Staffordshire Moorlands District Council Planning Authority, **HEREBY GRANTS PLANNING PERMISSION** for the development described above subject to the following condition(s):

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
Reason: To comply with the provisions of Section 51 of the Town and Country Planning, Planning and Compulsory Purchase Act, 2004.

2. The development hereby approved shall be carried out in accordance with the details as submitted in the application form and submitted specifications and as shown in drawings:
Plans as proposed PL 03 G (18.02.2020)
Site location with red edge at 1:1250 scale
Existing site plan with red edge at 1:200 scale
Reason: To ensure that the development is carried out in accordance with the submitted details and approved plans, in the interests of good planning, for clarity and the avoidance of doubt.

3. The external facing and roofing materials shall match in colour, form and texture those of the existing building using authentic natural stone for the walls save in respect of the front elevation which shall be finished in render to match the existing front elevations and there shall be no variation without the prior consent in writing of the Local Planning Authority.
Reason: To ensure that the works harmonise with the existing development.

4. All pointing shall be of a strength and style appropriate to the type of walling materials used (see SMDC leaflet on pointing) and shall not include 'tuck', 'strap' or 'recessed' pointing. A sample wall panel shall be completed on site which shall be inspected and approved in writing by the Local Planning Authority before external facing masonry work begins and shall remain on site during the period of construction. The development shall be carried out in accordance with the details of pointing and mortar mix as subsequently approved in writing by the Local Planning Authority.
Reason: To ensure that the external appearance of the development is satisfactory and appropriate to the building and the character of the rural area.

5. The sample wall panel required by the above condition 4 shall also demonstrate the masonry block size and coursing structure. The development shall be carried out in accordance with the details of stone, coursing structure and mortar mix as subsequently approved in writing by the Local Planning Authority. The sample panel as approved in writing shall be retained on site and shall not be removed until such time as the external walls are complete.
Reason: To ensure that the external appearance of the development is satisfactory and appropriate to the building and the character of the rural area.

6. All eaves and verges shall correspond in form with the plans hereby approved and without incorporating barge boards or box coving.
Reason: To ensure that the external appearance of the development is satisfactory and appropriate to the building and the character of the rural area.

7. Boundary treatment to the north west site field edge as shown by red edge on the 1:1250 site location drawing hereby approved shall incorporate a native species mix of hedging whips comprising 60% hawthorn 20% blackthorn 20% hazel at 18" intervals in two staggered rows 12" apart protected by guards and fencing so far as necessary to ensure no grazing by livestock or wild animals and the planting shall be completed before the end of the first available dormant season (November to February inclusive) following completion of the development hereby approved or its first occupation whichever is the earlier. Any plants which die or are lost or otherwise fail to establish in the first five years following the completion of the planting shall be replaced in the next available planting season with plants of the form and size as originally planted. The planting shall thereafter be allowed to grow and be maintained as a hedgerow for the lifetime of the development.
Reason: In the interests of the visual appearance of the development and the amenities of the area and in the interests of biodiversity.

8. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that Order with or without modification) no additional windows or any other openings shall be installed in any part of the development other than those expressly authorised by this permission without express planning permission first being obtained from the Local Planning Authority.

Simon W. Baker B.Ed MBA MIMSPA
Chief Executive

Reason: In the interests of the integrity of the building character and the appearance of the development and its setting and the amenities of the area.

9. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or any order revoking and re-enacting that order with or without modification), no development as specified in Part 1 Classes A; B; C; D and E and Part 2 Class A other than those expressly authorised by this permission, shall be carried out without express planning permission first being obtained from the Local Planning Authority.
Reason: To enable the Local Planning Authority to control the development and so safeguard the character and visual amenities of the area, and the character and appearance of the building.

Informatives

1. You are reminded of your responsibilities under the Conservation of Habitats and Species Regulations 2010 and the Wildlife and Countryside Act 1981 in respect of any protected species that may inhabit the site including bats and birds. In the event that bats or bat droppings are encountered prior to or during the development all operations should be immediately ceased and advice obtained from an ecologically qualified bat specialist. Work should then continue only in accordance with the advice obtained. There may be a requirement for a Protected Species Licence to be obtained before the proposed development can continue. Failure to carry out the requirements in accordance with the legislation risks offences being committed which could result in legal action including prosecution.

2. With the amended plans the proposed development is judged to be of suitable design and meets the tests of sustainability in planning. There are not judged to be any adverse implications for neighbours or wider public amenity and street scene. Amendments were agreed with the agent and applicants in the course of the determination in accordance with the approach to decision making as advocated in the National Planning Policy Framework at paragraph 38.

NOTES

1. Approval under the Building Regulations may also be required. Advice in this respect can be obtained by contacting the Councils Building Control Section at BControl@staffsmoorlands.gov.uk

2. Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority at Staffordshire County Council.

3. This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. An application will need to be made to discharge conditions and a fee is payable with the application. For more details please refer to our web site: www.staffsmoorlands.gov.uk If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
   (a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
   (b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

4. Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

5. The permission is granted in strict accordance with the approved plans. It should be noted however that:
   (a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
   (b) Variation to the approved plans will require the submission of a new planning application.

6. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

7. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

8. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

9. If this is a decision to refuse express consent for the display of an advertisement, if you want

to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

10. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk

11. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

12. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
