Application no: SMD/2019/0556

Determined on: 28/02/2020

Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015 (as Amended)

FULL PERMISSION FOR DEVELOPMENT

This permission does not carry any approval or consent which may be required under any enactment, bylaw, order or regulation (e.g. in relation to Building Regulations or the Diversion of Footpaths etc) other than Section 57 of the Town and Country Planning Act, 1990.

Location of Development:
Tomfields Farm Kingsley Road Kingsley Moor Staffordshire ST10 2EN

Description of Development:
Part conversion of former agricultural building to provide additional accomodation to farmhouse

In pursuance of their power under the above mentioned Act, Staffordshire Moorlands District Council Planning Authority, **HEREBY GRANTS PLANNING PERMISSION** for the development described above subject to the following condition(s):

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.
Reason:-
To comply with the provisions of Section 51 of the Town and Country Planning, Planning and Compulsory Purchase Act, 2004.

2. The development hereby approved shall be carried out in complete accordance with the submitted amended plans and specifications as follows:-

Simon W. Baker B.Ed MBA MIMSPA
Chief Executive

00884 AL(0)04

Reason:-
To ensure that the development is carried out in accordance with the approved plans, for clarity and the avoidance of doubt.

3. Any new bricks, tiles and other finishing materials applied to the exterior of the building shall match the existing finishing building materials of the barn on site in terms of type, colour and texture.
Reason:-
In the interests of the character and appearance of the area.

4. Before the installation of any new windows and doors as shown on the approved drawings, details of their scale, design, materials and colour, shall be submitted to and approved in writing by the Local Planning Authority and the approved windows and doors shall be provided in exact accordance with the approved details.
Reason:-
In the interests of the character and appearance of the area.

5. Unless prior permission has been obtained in writing from the Local Planning Authority, all noisy activities shall be restricted to the following times of operations.

"" 08:00 - 18:00 hours (Monday to Friday);
"" 08:00 - 13:00 hours (Saturday)
"" No working is permitted on Sundays or Bank Holidays.

In this instance a noisy activity is defined as any activity (for instance, but not restricted to, building construction/demolition operations, refurbishing and landscaping) which generates noise that is audible at the site boundary.

Reason:-
To avoid the risk of disturbance to neighbouring dwellings from noise during unsocial hours.

6. Any waste material associated with the demolition or construction shall not be burnt on site but shall be kept securely for removal to prevent escape into the environment.
Reason:-
To protect the amenities of the area.

7. In the event that contamination is found at any time when carrying out the approved development it must be reported in writing immediately to the Local Planning Authority. Development shall not commence further until an initial investigation and risk assessment has been completed in accordance with a scheme to be agreed in writing by the Local Planning Authority in writing to assess the nature and extent of any contamination on the site. If the initial site risk assessment indicates that potential risks exists to any identified receptors, development shall not recommence until a detailed remediation scheme to bring the site to a condition suitable for the intended use by removing unacceptable risks to human health, buildings and other property, and the natural and historical environment has been

submitted to and approved in writing by the local planning authority. Following completion of measures identified in the approved remediation scheme and prior to bringing the development into first use, a verification report that demonstrates the effectiveness of the remediation carried out must be submitted to and approved in writing by the Local Planning Authority.
Reason: -
To ensure that the proposed development meets the requirements of the National Planning Policy Framework in that all potential risks to human health, controlled waters and wider environment are known and where necessary dealt with via remediation and or management of those risks.

8. Prior to bringing the development into first use, all soils imported into the site that are intended to be used for the proposed garden/ soft landscaping areas shall be tested for contamination and assessed for their suitability for the proposed use. Prior to sampling, a suitable methodology for testing the soil shall be submitted to and agreed in writing by the Local Planning Authority and shall include the sampling frequency, testing schedules, and criteria against which the analytical results will be assessed. The results of the soil tests shall be submitted and approved in writing by the Local Planning Authority. If soil results indicates that a potential risks exists, development shall not commence until a detailed remediation strategy to bring the site to a condition suitable for the intended use has been submitted to and approved in writing by the Local Planning Authority. The approved scheme shall be implemented in full prior to the first occupation of the development.
Reason: -
To ensure that the proposed development meets the requirements of the National Planning Policy Framework in that all potential risks to human health, controlled waters and wider environment are known and where necessary dealt with via remediation and or management of those risks.

9. Before the approved development is brought into use, ecological mitigation measures in relation to birds, shall be provided within the site in accordance with pages 2 to 4 of the Fauna Forest Ecology Ltd letter dated 29.11.19 and in accordance with details and drawings to be submitted to and approved in writing by the Local Planning Authority. The approved measures shall thereafter be retained and maintained.
Reason:-
In the interests of the ecological value of the site.

10. Prior to any commencement of works between 1st March and 31st August in any year, a detailed survey shall be carried out to check for nesting birds and the results submitted to and approved in writing by the Local Planning Authority. Where nests are found in any building, hedgerow, tree or scrub to be removed (or converted or demolished in the case of buildings), a 4m exclusion zone shall be left around the nest until breeding is complete. Completion of nesting shall be confirmed by a suitably qualified person and a further report submitted to and approved in writing by the Local Planning Authority before any further works within the exclusion zone take place.
Reason:-
In the interests of the ecological value of the site.

Simon W. Baker B.Ed MBA MIMSPA
Chief Executive

11. Before the approved development is brought into use, ecological mitigation measures in relation to bats, shall be undertaken within the site in accordance with pages 6 to 8 of the Fauna Forest Ecology Ltd letter dated 29.11.19 and details and drawings to be submitted to and approved in writing by the Local Planning Authority. The approved measures shall thereafter be retained and maintained.
Reason:-
In the interests of the ecological value of the site.

12. The provision of all external lighting for the development shall be in exact accordance with the Site Lighting section of the Fauna Forest Ecology Ltd letter dated 29.11.19 on page 9.
Reason:-
In the interests of the ecological value of the site.

13. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 215 (or any order revoking and re-enacting that Order with or without modification) no additional windows or any other openings shall be installed in any part of the development, unless a further planning permission has first been granted on application to the Local Planning Authority
Reason:-
To protect the visual amenities in the area.

14. No part of the building approved to be converted for ancillary accommodation for the dwelling on site shall be used for commercial purposes and it shall not be sold, let or otherwise occupied as a separate unit of accommodation or separate dwelling and shall be used solely for purposes relating to the ancillary residential use of the existing dwelling on site at Tomfields Farm.
Reason:-
In the interests of protecting the character and amenities of the area.

15. The rainwater goods to be used in the development hereby permitted shall be cast metal and finished in black
Reason:-
To protect the visual amenities in the area.

16. Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (or as may subsequently be amended or re-enacted) no extensions or alterations normally permitted by Classes A to E of Part 1 Schedule 2 to that Order shall be carried out to the former agricultural building subject to this permission unless a further planning permission has first been granted on application to the Local Planning Authority.
Reason:-
To protect the visual amenities in the area.

Informative

1. This is considered to be a sustainable form of development and so complies with the

NOTES

1. Approval under the Building Regulations may also be required. Advice in this respect can be obtained by contacting the Councils Building Control Section at BControl@staffsmoorlands.gov.uk

2. Where a vehicle is often driven across a grass verge or kerbed footway to and from premises adjoining a highway, the occupier of the premises may, be required to pay the cost of construction of a crossing, and/or may be required to comply with conditions, imposed by the Authority. You should contact the Highway Authority at Staffordshire County Council.

3. This consent is granted subject to conditions and it is the owner(s) and the person(s) responsible for the implementation of the development who will be fully responsible for their compliance throughout the development and beyond. An application will need to be made to discharge conditions and a fee is payable with the application. For more details please refer to our web site: www.staffsmoorlands.gov.uk If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
   (a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
   (b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

4. Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

5. The permission is granted in strict accordance with the approved plans. It should be noted however that:
   (a) Any variation from the approved plans following commencement of the development irrespective of the degree of variation will constitute unauthorised development and may be liable to enforcement action.
   (b) Variation to the approved plans will require the submission of a new planning application.

6. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

7. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

Simon W. Baker B.Ed MBA MIMSPA
Chief Executive

8. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.

9. If this is a decision to refuse express consent for the display of an advertisement, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.

10. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at https://acp.planninginspectorate.gov.uk

11. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

12. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
