Submission: Not Object
Comments: The submitted plans do go over an existing right of way/access to my property. I have no objection in principle to the extension being built providing the following things are done to ensure continued right of way/access to my property 1) A new right of way/access needs to be agreed and changed legally on the deeds of both houses by solicitors. 2) The right of way/access should not include any steps. 3) The width of the right of way/access needs to be confirmed and agreed upon by both parties at No 3 and No 4 Stone Villas as this has not yet been decided and is crucial to maintaining ease of access.
