Email:
Submission: Objection
Comments: Any houses been built so close to the pub will result in noise complaints, traffic complaints and extra congestion. There is already a huge housing estate being built on the other side of Blythe Bridge which no one wanted and is in a dangerous location. The school's can't cope with the current number of growing students.

The pub is a historic local building already ruined by an unchecked refurbishment and of these houses are granted, it will not be long before more houses replace the pub and the playing field. This application should be rejected
