Submission: Objection
Comments: I am making this objection on behalf of my deceased brother Edward V.M. Robinson's estate. I am waiting for probate of his estate, and it is in my interests to protect the estate. The proposed extension above the garage of 24 Gaunt St will have a wall which is 8 Metres high within less than 2 Metres of the boundary. From the downloaded plans I have calculated that the daylight from the north will be reduced by approximately 60% at the bottom of the rear yard and approximately 5% near the downstairs rear window. This is an estimate made from the plans. I would need more accurate measurements to be precise. This is an unacceptable amount of loss of daylight.
