Recommendations: There are no objections on Highway grounds to this proposal.

Due to the recent Government guidance to stay at home in order to protect the NHS and save lives and to reduce the spread of the Covid-19 virus, it has not been possible to carry out a site visit.

This reply is therefore based on Google Street View images, our own GIS mapping and other historical information we hold.

The proposal is for the replacement of timber windows. The instillation of the windows will not have a detrimental effect on the highway and therefore I have no objection. (application number SMD2020/0195).
