Re Furlongs, Cheadle Road, Blythe Bridge

I wish to object most strongly to this proposed change of use to a children's home. This area is most unsuitable for this kind of development. The property concerned is very close to an extremely busy road with no pavement and is also extremely close to other properties. This is a very quiet area of Blythe Bridge and no matter how well run it is bound to create a level of noise and possible disruption. Quite a few of the neighbouring residents are older people who want peace and quiet and not noise and frequent comings and goings.
