Dear Sirs

RE: Prior Approval Notice for Extension to agricultural building.
Application on behalf of Proctor's Nursery, Roaches View, Leek Road, Endon, ST9 9AR

The application is for a modest extension to an existing agricultural building. The extension will be located on the north side of the existing agricultural building. The extension is screened from the view of the road by the hedge line to the east and the existing building to the south. The extension is a lean-to structure, to the existing building and therefore offers minimal impact.

We trust that you find the proposed acceptable.

Yours sincerely
