Email:
Submission: Neither
Comments: Whilst Bagnall Parish Council has no objections to this application, we do have some concerns. Having visited the site, the plan submitted does not give a true representation of the existing layout as the existing entrance would appear to be significantly wider than that shown on the plan, being approximately ten metres wide (from the front left corner to the boundary wall/hedge). Also, when travelling uphill a wide turning circle will be required, necessitating cars moving into the right-hand side of the road, in the path of any oncoming traffic. Given that a fatal accident occurred on this bend the Parish Council would hope that Highways will take into consideration sight lines alongside pavement drops and proceed with some caution when expressing a view.
