Staffordshire Moorlands District Council,
Moorlands House,
Stockwell Street,
Leek,
ST13 6HQ

Date: 10th July 2020

Listed Building Application for the partial take down of bridge 37.

To whom it may concern,

Bridge 37 was a grade II designated bridge on the Caldon Canal near Endon. In March 2020 it had to be partially taken down after suffering catastrophic damage whilst preparation works were taking place for work on the adjacent lock.

The damage was assessed by suitably qualified in-house experts who concluded that partial take down was the only safe and practical course of action. The Trust were in touch with Staffordshire Moorlands District Council conservation officer who provided support and attended two site visits. It was agreed that the bridge should be taken down to remove the risk that it posed.

The bridge was laser surveyed before the take down began.

Regards,

Kate Langley
