Good Afternoon

Re: High View Farm, Holt Lane, Kingsley
Proposed Development: Infilling of steep sided linear depression on grassland with clean construction waste to provide a level safe surface for farm vehicles (the area is to be resurfaced with top-soil initially removed and reseeded.

Conclusion

KPC support the above application subject to the in-fill keeping within the parameters specified in the proposal regarding the depth of fill and area covered, and that the work does not interfere with the nearby Staffordshire Way footpath.

Kind regards
