Comments: I am concerned that on an already dangerous stretch of road and particularly bad bend, a vape shop, zoned on greenbelt land will bring about a large amount of traffic that the road can't support.

I see little opportunity for customers to attend the site other than by car, given the lack of pavements the road and the distance from both the village centre and Biddulph.

Lastly, the use of the stable block for a shop appears incongruent with the local area, and unnecessary given the nearby availability of high street locations.
