Submission: Objection
Comments: Nothing appears to have changed with respect to this application, apart from maybe the address, that was previously declined on a number of grounds.

As per my previous comments - "Inappropriate building on farmland therefore I object to this proposed build. In addition, looking at the build design it is entirely unsuitable for the countryside with an all glass frontage which is most likely to cause excessive 'light pollution' across the Tean valley." On this basis alone permission should be declined.
