REPLY:- TO PLANNING APPLICATION NUMBER SMD/2020/0536
FOR MR CRAIG HANSFIELD PERRY.

BEING MR CRAIG HANSFIELD PERRYS NEIGHBOUR, HE TOLD ME HE WAS EXTENDING HIS EXISTING GARAGE BY 3.175 MTRS IN LENGTH, AND UP TO THE EAVES OF HIS EXISTING GARAGE ROOF WITH A FLAT ROOF.

THIS HAD NOW BEEN BUILT LONGER IN WIDTH, AND WITH A PITCHED ROOF, WITH NO CONSIDERATION TO ME AND MY PROPERTY.

WITH THE EXTENSION ONLY BEING 0.175 MTRS FROM MY BOUNDRY (NOT SHOWN ON PLANS) IT IS MAKING THE VIEW AND LIGHT FROM ONE OF MY WINDOWS RESTRICTED.

YOURS SINCERELY
