Submission: Objection
Comments: This sign is ridiculously oversized.it is not in keeping with the size of the signs in the proximity.the signs for cross st mill units adjacent to the junction are a 3rd of the size of this sign.the sign proposed would be more in keeping with a petrol station or retail park.the view from every window of our property will be blighted by this monstrosity.I would personally be happy if it was half the proposed size.also the grounds are a pleasant green space that is also enhanced by cross st itself.I do not think it¿s in keeping with the nature of the environment.regards...mr Clarke.
