Town and Country Planning (Development Management Procedure) (England) Order 2015 (as Amended)

FULL PERMISSION FOR DEVELOPMENT

This permission does not carry any approval or consent which may be required under any enactment, bylaw, order or regulation (e.g. in relation to Building Regulations or the Diversion of Footpaths etc) other than Section 57 of the Town and Country Planning Act, 1990.

Location of Development:
144 Leek Road, Cheadle, Staffordshire, ST10 1JL

Description of Development:
Two storey side and single rear extension

In pursuance of their power under the above-mentioned Act, Staffordshire Moorlands District Council Planning Authority, **HEREBY GRANTS PLANNING PERMISSION** for the development described above subject to the following condition(s):

1. The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

Reason:- To comply with Section 91(1) of the Town and Country Planning Act 1990 (As Amended)

2. Notwithstanding the detail of any drawing submitted with the application, the development permitted and described above shall only be carried out in complete accordance with the plan identified as LOCATION PLAN, BLOCK/SITE PLAN submitted with the application; and the revised proposal drawing numbered LR1f submitted on the 25th November 2020. 3. The development shall only be constructed using external facing bricks and roofing tiles that shall match in colour, form and texture those of the existing building and there shall be no variation without the prior consent in writing of the Local Planning Authority.

Reason:- To ensure that the works harmonise with the existing development.

Informative

The proposed development is judged to be of suitable design and meets the tests of sustainability in planning. An amended plan submitted on the 25th November 2020 addressed appropriately an adverse amenity impact that had been identified. The amendment of the scheme is an approach advocated and supported by the National Planning Policy Framework at paragraph 38.

An application will need to be made to discharge conditions and a fee is payable with the application. For more details please refer to our web site: www.staffsmoorlands.gov.uk If there is a condition that requires work to be carried out or details to be approved prior to the commencement of the development this is called a "condition precedent". The following should be noted with regards to conditions precedent:
   (a) If a condition precedent is not complied with, the whole of the development will be unauthorised and you may be liable to enforcement action.
   (b) Where a condition precedent is breached and the development is unauthorised, the only way to rectify the development is the submission of a new application.

3. Other conditions on this permission must also be complied with. Failure to comply with any condition may render the owner(s) and the person(s) responsible for the implementation of the development liable to enforcement action.

4. The permission is granted in strict accordance with the approved plans. It should be noted however that:

   (b) Variation to the approved plans will require the submission of a new planning application.

5. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.

10. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

11. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
