Comments: We moved to Alton to enjoy the countryside that this lovely village has to offer, and it seems that since our arrival 3 years ago, there have been numerous applications, (mostly successful) to build on greenfield sites thereby removing the countryside that we came to the village to enjoy.

It should be noted that since our arrival, there have been a number of incidents involving traffic on the corner of Cedar Hill / Cheadle Road due to increased traffic and excessive speed / size of vehicles. This road now constitutes a danger for pedestrians due to the lack of pavements, and hence any further developments along Cheadle Road / Cedar Hill / Battlesteads will only exacerbate the current situation. We therefore object to any further developments on these grounds.
