Submission: Objection

Comments: We object to the planning application. As residents on Cedar Hill the road is unsuitable for additional housing development. There are no pavements and limited street lights and the road is narrow. The access is close to a bend and visibility is limited - additional traffic in and out can only increase the danger on this road. The countryside views from surrounding properties will be impacted and we frequently walk along the footpaths around this area, views from which will be unsightly.

We question whether the applicant has the legal right to apply when he does not have full ownership of the land (as is indicated by the joint owner in another comment).
