

NOTES:

1. Do not scale from this drawing.
2. All dimensions in metres unless otherwise stated.
3. Finished floor levels have been based on the boundary constraints, highway longitudinal sections, remediated earthworks. Highway levels are subject to change following completion of the detailed design.
4. Locations of retaining walls are indicative and subject to change following completion of the detailed design.
5. Finished Floor Levels are subject to change (+/- 450mm) following completion of the detailed design.
6. Level differences between adjacent plots and boundaries to be mitigated using log brick retaining walls within gardens where required.

KEY:

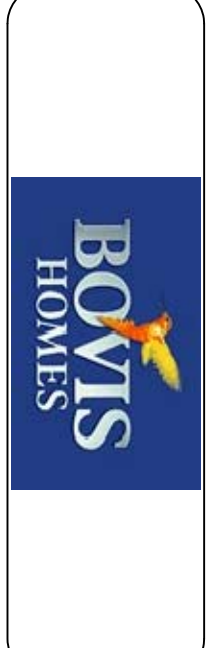

- Preliminary Finished Floor Level
- Preliminary Highway Centre line Levels
- Indicative Boundary Levels
- Existing levels to be retained near POS and existing trees

- L. Revised layout added.
- K. Latest layout added with revised DMB RM PAB 25.0.17
- J. Latest layout added. Remaining DMB RM PAB 11.1.17
- H. FFL's added to plots DMB RH PAB 28.2.17
- G. Latest layout added. Additional plot levels added. DMB RH PAB 28.2.17
- F. Latest layout added. Plot and highway levels adjusted. DMB RH PAB 28.2.17
- E. Latest layout added. DMB RM PAB 8.11.16
- D. Latest layout added. RM MS PAB 21.1.16
- C. Swales added. Levels in POS areas added. RM MS PAB 21.1.16
- B. FFL's updated to suit revised housing layout. FFL's updated to improve plot interaction and access gradients (Plots 3-5, 10-12, 23, 26-27, 33, 40, 51-59, 65-68, 93-97, 149-153, 156, 158-160, 177, 181-184, 186-188, 192, 198-200). Notes updated. RM PAB PAB 3.10.16
- A. FFL's updated to suit revised housing layout (37-38, 47-50, 51-55, 73-75, 80-84, 82-89, 149-153). Boundary levels added. Retaining walls added.
