

Birchall Playing Fields, Leek

Full Sized NTP

Project code: NTS138
Date: 17-07-2020
Designer: Wesley Bugg
Description: LED Lighting Design option

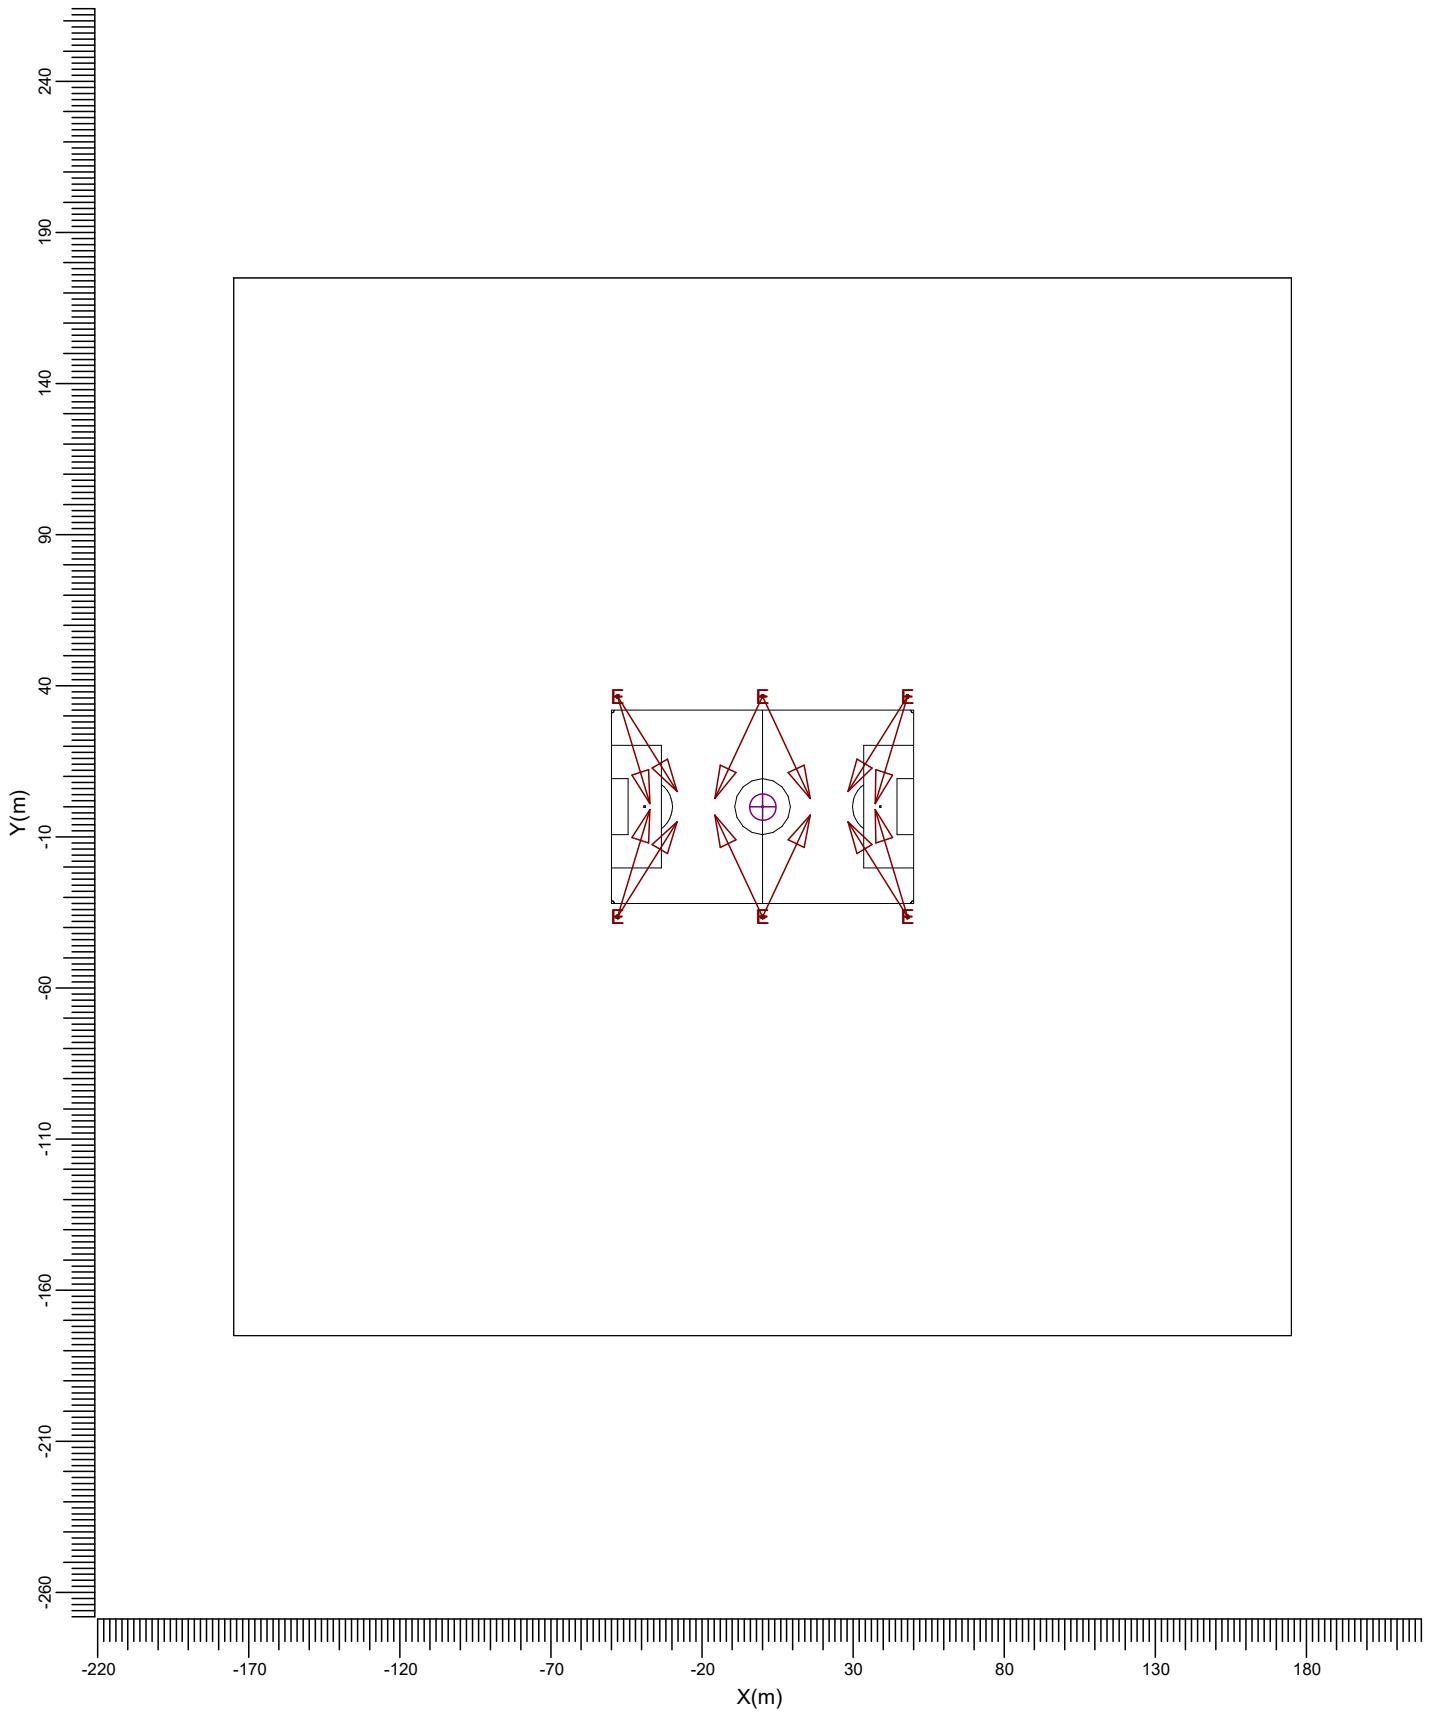

The nominal values shown in this report are the result of precision calculations, based upon precisely positioned luminaires in a fixed relationship to each other and to the area under examination. In practice the values may vary due to tolerances on luminaires, luminaire positioning, reflection properties and electrical supply.
