Good morning,

We have been informed that a REM application as above has been submitted, however, on checking your planning website, Planning Application number SMD/2021/0089 is shown as being an Outline application and that it is an "Invalid Application". Would it be possible to please confirm if this application is an Outline or REM application and the reasons it is "Invalid"?

Would it also be possible to please confirm whether a further application for this site is expected?

Many thanks,

Kind regards,

School Organisation Team
