Subject: Proposed extension at the Red Onion, 274 Ashbank Road, Werrington.
Date: 01 April 2021 12:28:03

Hi

I have a few observations to make regarding this application.

1. The floor space for the restaurant is increasing by 37m squared therefore the potential to increase the number of covers available. However the proposal is also to reduce the carparking by 1 space. When this restaurant is busy customers already park on Clough Lane and close to the junction with Ashbank Bank Road, which is the main A52 and gets very busy. Coupled with staff and delivery drivers I believe that car parking/traffic issues will only be increased.
2. Please can you tell me the size of the existing upstairs kitchens against the new proposed kitchen. The current kitchen is small and it would be imperative to prevent food safety issues that the new kitchen size is not reduced at all but preferably increased. Until I can obtain this information I can not comment further on this proposal.

Regards

Pauline Forrester
