Biddulph Moor

ST8 7NW

Submission: Objection

Comments: No objection to livestock, planting trees or growing own vegetables on site. I think the poly tunnel is too big for the site and looks out of place so close to the natural outcrop of rocks. I also am concerned if other members of the public are encouraged to attend the site as the road is far too busy for parked cars on the roadside. There is no designated pavement and is a speed hazard.
