Submission: Objection

Comments: I would like to object to the planning application for the following reasons:

Parking - there is already inadequate car parking facilities available for the restaurant and takeaway at the Red Onion. This leads to cars parking all the way down Clough Lane, obstructing driveways and destroying the grass verges. This also leads on occasions to vehicles mounting the pavement to get around parked cars (this is also the case in the day when the lane is used by the garage to park their cars and pick-up trucks). Cars also park dangerously at the junction of Clough Lane and Ash Bank Road, causing dangerous blockage of vehicles at the top of the Lane, causing obstructed visibility of cars/vans/lorries coming up and down the Lane. Having a takeaway facing Ash Bank Road will lead to additional parking by the bus stop and garage (the bus stop is already obstructed by vehicles parked by the Ash Bank garage).

Litter - this will lead to additional litter in this area.

Noise - there will be additional noise in and around this area by the takeaway itself and those using it, especially at night.

Existing Takeaways - there are already enough takeaways in Werrington ie chip shop, sandwich shop, Chinese takeaway, pizza takeaway, Indian takeaway.

Inadequate space - there seems to be inadequate space in front of the proposed takeaway for parking as this is very close to the bus stop and public pathways around it.

Kind regards

Doreen Cheadle
