Subject: re Planning Application SMD/2021/0204, Caverswall Post Office
Date: 25 April 2021 17:25:56

We have no objections to the extension plans for the Caverswall Post Office.
We support the plan to install bollard's to prevent further attacks from vehicles therefore removing the need for ugly security shutters which we do not feel would be appropriate for the village.

Yours sincerely,
Philip & Kathleen Steele
