PLANNING AND COMPENSATION ACT 1991
TOWN AND COUNTRY PLANNING (GENERAL PERMITTED DEVELOPMENT ORDER)
(ENGLAND) 2015**

**DESCRIPTION OF DEVELOPMENT
Forestry building at Felthouse Farm Cheadle Road Staffordshire Moorlands
Cheddleton**

PRIOR APPROVAL REQUIRED

Staffordshire Moorlands District Council has determined that the prior approval of the authority will be required as to Forestry building. **The development must not begin before the authority has given such approval.**

The applicant must now —

display a site notice by site display on or near the land on which the proposed development is to be carried out, leaving the notice in position for not less than 21 days in the period of 28 days from the date on which the local planning authority gave the notice to the applicant; and where the site notice is, without any fault or intention of the applicant, removed, obscured or defaced before the period of 21 days has elapsed, the applicant is treated as having complied with the requirements if the applicant has taken reasonable steps for protection of the notice and, if need be, its replacement.

The “site notice” must contain—

- (a) the name of the applicant,
- (b) the address or location of the proposed development,
- (c) a description of the proposed development and of the materials to be used,
- (d) a statement that the prior approval of the authority will be required as to the siting, design and external appearance of the building or, as the case may be, the siting and means of construction of the private way,
- (e) the name and address of the local planning authority,

and be signed and dated by or on behalf of the applicant. It is suggested that when such a site notice has been displayed, a dated photograph of the notice in place is provided to the authority for their records.

You must now apply to the authority for the **Forestry building**. The authority shall make a decision in relation to your application within 8 weeks beginning with the day immediately following that on which the application is received by the authority, or within such longer period as may be agreed by the applicant and the authority in writing.

The Council will now await your response and further application submission before taking any further action in this matter.

Informative

1. The applicant is requested to provide details of the boundaries of the site ownership on an amended location plan (with the boundaries shown edged blue) and also details of where the materials for the forestry operation are to be sourced from, preferably also shown on location plans.
