Submission: Objection

Comments: I would like to object to this planning application for the following reasons:

It will not be safe for cars to stop outside the establishment on the A52 Ash Bank Road. There is a bus stop right outside The Red Onion and cars parked on Ash Bank Garage forecourt. Any additional traffic parked or stopping around the area will be hazardous to road users and pedestrians.

Parked cars on Clough Lane will become increasingly problematic. Clough Lane is already a busy cut through with cars parked on both sides of the road. Further traffic will cause residents more misery as they cannot get out of their drives because of parked cars.

I am concerned about the increase in noise from having a takeaway nearby. There will be an increase in youngsters hanging around. I anticipate that this will become a problem for residents who are trying to get young children settled off to bed.

I am concerned that there will be an increase in littering in the area.
