Submission: Objection
Comments: Dear Sirs

I would confirm my objection to the proposed development

1, Greywoods is a special House in a special area....surely it needs preserving..particularly as sufficient housing supply has already been met.

2, Siting of the development is suspiciousstealth application for a second house if approved

3, The development is proposed close to the boundary inhibiting the street scene

Greywoods was designed to sit on a special plot....surely Birchall needs, in some way, to be set in aspic and preserved for future generations.
