Submission: Objection

Comments: We wish to strongly object to the planning application for Greywoods for the following reasons:

The proposed property would breach the building line of Birchall Lane as it would be very close the hedge. Every property on the lane, with the exception of one, has a sizeable frontage and this would be out of keeping with the rest of the properties.

Greywoods is a beautiful and unique property and I feel is it vital that it remains in it's unadulterated state. sufficient land has already been earmarked in the Leek Plan to provide adequate housing.

We urge you to reject this proposal and put an end to any future applications in this unique area of the town.

Regards

David and Clare Robinson
