Good Afternoon

Re: Planning Application SMD/2021/0284 – Land Off Black Lane, Whiston.

Proposed Development: Full application for the erection of a single dwelling and amendments to parking provision for end terrace approved under planning application SMD/2019/0005.

Recommendation

Kingsley Parish Council recommend refusal of the above application on the following grounds:

- Potential over development in the restrictive area.
- Impact on the immediate adjacent ancient tramway.
- Lack of amenities in the village.

Kind regards

Carmen Giuliano-Worthington

Kingsley Parish Clerk/RFO
