Ref the above Application for Mr & Mrs Jones of 455 New Street Biddulph Moor.
As neighbours living next door at 1 Hot Lane Biddulph Moor ST8 7HP
We do not have any objection to this application as the proposed development is the other side of 455 New Street and mostly out of view from our house.
We assume the building appearance will be in keeping with the surroundings.
We wish them well with the application as Mr & Mrs have been very helpful to us in the recent Covid restrictions.
