Submission: Objection

Comments: I object to this planning application based on a number of reasons.

1. The blythe vale development has shown that there is a housing shortage in the local area. Changing the intended use of the property goes against the need for housing in the area.
2. This has been already been used as an unlawful care home for a number of months, going unnoticed. We should not be allowing owners of a business like this the opportunity to line their pockets when they could not follow proper procedure in the first place.
3. The property has already caused local upset due to the ongoing use of the pavement for parking, stopping parents and disable people from using the footpath because it has been blocked with numerous vehicles.
4. There has been no regard for the upkeep of the property and boundaries of the property for some time.

Based on the above comments i strongly object to the planning application submitted.
