Submission: Objection

Comments: This has been illegally used previously as a care facility with very little maintenance of any of the outside and no considerations for any neighbours with illegal parking on pavement, taxis coming and going frequently at all hours of the day/night driving over grass verges there is already a planning going ahead for another 200 houses because there is a shortage of available family houses in the area so changing the use to a care facility does not make sense. The village needs no more disruption as we have already got enough with the horizon mad house on draycott old road
