Submission: Not Object

Comments: The only issues concerning this application are, parking issues, when people lived there before cars used to block off the pavement making people having to walk either on the road or on the grass verge, this is not fair on the elderly, disabled or parents with young children or pushchairs. The back boundary of the property was not maintained, brambles, nettles and thistles growing and overhanging the public footpath. As a long standing resident we often wondered why we saw care workers going in and out of the property and did not know that it was being used as a care home of sought until an elderly gentleman passed away and it was in the local news about his funeral.
