Type of enquiry

Planning General Enquiry

Planning application reference number if known (optional)

SMD/2021/0265

Enquiry details

Further to the comments i have submitted on the above application i just wish to make one more comment. If this application is granted, how do you think it makes members of Staffordshire moorlands feel that the council will allow planning to be retrospectively passed when an unlawful business has been taking place. Its essentially making a statement of "do what you want, then apply for the changes later"
