Comments: Thank you for the opportunity to comment on this Application.

We note that the PROW Bagnall 27 is affected by the proposals. We also note that section 7 of the application form states that there is a requirement for diversions, extinguishment and/or creation of public rights of way.

We will await the relevant Order for this. In the meantime, use of the PROW, and the safety of users must not be affected by any work taking place.

This comment is made on behalf of Peak and Northern Footpaths Society, a registered charity which exists to protect and improve public rights of way for use by walkers.
