Good day,

If there is be no connection to the public sewerage system then we would have no objection to the removal of the condition.

Kind regards,

Rhiannon

Subject: 2021-0257 removal of condition 10

Dear Rhiannon

With reference to the above application and your further request for drainage proposals, we can confirm that the proposed plateaus are to be levelled and graded and to receive crusher run limestone, the original application no 2020-0441 approved is for open storage ie fence panels / trailers etc.

Condition 10 of this application requested drainage proposals, as the area is not intended to be hard surfaced ie tarmac, we have applied to remove that condition. The whole area will be permeable through the hardcore, please see attached photos of similar open storage yards fyi We hope this resolves any further query.

Regards

Scott
