Submission: Objection

Comments: I am strongly against the proposed location for an 18m mast in Uttoxeter Road. The height of it would overwhelm the adjacent bungalows. Nor is it appropriate to place it next to beautiful and protected mature oak tree. It would cause a loss of visual amenity and is not in keeping with the surrounding historic village of Alton. I am not against such a structure per se, but think that a more appropriate location could be found that would be less visually obtrusive.
