Former Severn Trent Reservoir, Troughstones Road, Biddulph
Common, Staffordshire,

Proposed Change of Use of former Reservoir structure to a single dwelling house

Councillor Hawley noted that the site falls within the green belt and re-uses the existing building and recommended approval.

Councillor Garvey said he felt that this was an outstanding use of an existing redundant building and the visualisations look very good. This was echoed by Councillor Yates and Councillor Jones. **All recommended approval.**

Thanks

Esther
