Subject: DET/2021/0021 - Street Record Uttoxeter Road, Alton

Dear Arne,

As District Councillor for Alton, I strongly object to planning application DET/2021/0021 for the installation of an 18m phase monopole, wraparound cabinet and associated base.

Whilst I welcome improvements to technology and communications in Alton and other rural areas in the Staffordshire Moorlands, the siting of this particular mast is totally inappropriate. Not only will the mast be detrimental to the appearance of our beautiful country village due to its siting on a key road, more importantly, it is in a residential area with many homes and gardens nearby. This will have a hugely detrimental impact on residents, their lives and their homes.

The village vernacular is something that should be protected and I ask that a more suitable site is considered.

Kind regards,

Hayley
