

Heaton Parish Council

Planning Consultation Response – 3rd June 2021

Erect a stilted timber framed dwelling at land cornering Rudyard Road and Gun Hill Road, Meerbrook Staffordshire

Members of Heaton Parish Council strongly object to this Planning Proposal.

This land is subject to a Tree Preservation Order

There is no water on site and no means of disposing of waste.

To build a dwelling on this site would be inappropriate,

It would alter the appearance of the landscape and destruct the woodland and harm the natural wildlife.

At least two peoples' ashes are interred or scattered on this plot of ground. Families visited regularly so they could be near to their loved ones.

Yours sincerely

June Sherratt

Clerk to Heaton Parish Council
