Dear Sir/Madam

I write to formally object to the planning application submitted for Gravel Bank Farm, on Caverswall Common; your reference SMD/2021/0190.

The reasons for our objections are:

1. From studying the plans we believe that the new properties will be much higher than the existing buildings and will be taller than the trees on the boundary of the land which means the new builds would be overlooking our home and believe this will be an infringement on our privacy.
2. If the new builds go ahead, it will definitely cause more traffic on an already dangerous bend on Caverswall Common. The number of near misses on that section of the road is already high, myself and my children have had to jump out of the way of speeding cars on many of occasions.

Yours sincerely

Christian & Tracy Hollins
