Shirley Drive
Alton
Stoke on Trent

Comments: I strongly object to this Application to install an 18metre Mast and associated Equipment in Uttoxeter Road.

It would be difficult to find a more unsuitable location for such an out of scale eyesore.

It is interesting to note that the Applicant is based 100 miles from Alton and demonstrates only a Commercial interest and a total disregard for residents or the environment of an historic rural village.

It is noted that Applications 2021/0338 and 2021/0339 to remove 3 Antennas & install 6 Antennas at the Flag Tower at Alton Towers have been deemed Invalid.

An 18 metre Mast at the highest point in the village would provide a clear line of sight to the Flag Tower,so it is difficult not to conclude that this Application is Plan B,dumped in the village.
